Title:	Plant Seeds of Love
	<i>Max.8 words</i>
Lyrics:	<p>Just as we grew up, began to realize This world is ugly, full of brutal lies. Jesus, what's the problem?</p> <p>You wanna scream out, yet no voice came out Is it your problem that you are different? "Weirdo!", they described you.</p> <p>You can't put up with these fake smiles, You screamed and ran for a million miles.</p> <p>Love is what you need but you have to plant seeds. Before you take something, you have to give and share. Just stop sitting back, hey man! Stand up and take action, come on, let's make a change.</p> <p>Stretch out helping hands Although it's unplanned Smile at strangers with all your passion That's right, take the first step</p> <p>You're gonna change this world with love Where doves of peace will fly above</p> <p>Love is what you need but you have to plant seeds. Before you take something, you have to give and share. Just stop sitting back, hey man! Stand up and take action.</p>

Lyrics Competition 2009

Come on, let's take a chance.

Hey, we can change.

Yes, we can change.

Come on!

Love is what you need but you have to plant seeds.

Before you take something, you have to give and share.

Just stop sitting back, hey man!

Stand up and take action,

come on.

Love is what you need but you have to plant seeds.

Before you take something, you have to give and share.

Just stop sitting back, hey man!

Stand up and take action,

come on. Let's take a chance.

Hey, we can change.

Yes, we can change.

Shall we?
