One day, when John came back from school he threw his schoolbag on the floor and started to play computer games. While he was enjoying his life, he heard grandfather coughing, he felt sorry about that. However, he didn't know what to do. He didn't even know HOW to do.

S.1 – 3:

100 – 200 words

S.4 – 7:

200 – 300 words

A club, which was in John's school, organized an activity to the elderly home, and John had joined it. He and his schoolmates sang songs and performed dances to cheer the elderly up. Even though they only did a few things, the elderly felt happy. He knew that it was the power of love.

For you, you might think love is giving you a lot of things you need, but for the elderly, they only want a bit care from the world.
